We have limited space so be quick!

Do you want a travel and cultural experience that will change the way you see the world?

We in South Africa are linking up with NLA to provide a cultural experience for 5 months, and we're inviting YOU. You'll interact with people from very different lifestyles as you work alongside NSC's many ministries to impact people's lives.

These ministries include a mobile care ministry, baby home, youth groups, surf/soccer academies and more...
